VETERANS TRUST FUND — MARCH 2018

Fund Balance. As of March 31, 2018, the [Veterans Trust Fund](#) balance is \$28.6 million. The total principal balance is \$28.3 million, and the Lottery transfer of \$2.5 million occurred in October. The total spendable portion of the Trust Fund balance (including interest income, donations, and Lottery transfer) is approximately \$192,000. Expenditures to date for FY 2018 have totaled approximately \$438,000. The chart below shows the total balance of the Trust Fund since FY 2009.

Assistance Categories. Assistance categories are established in Iowa Code section [35A.13\(6\)](#) and in 801 IAC ch. [14](#). Examples of permissible expenditures include housing repairs, emergency medical care, dental expenses, eyeglasses, hearing aids, prescriptions, automobile repair, and other items. A recent *Map of the Week*, [Iowa Veterans Trust Fund](#), presents award data from the Annual Reports.

More Information. Additional information on historical income and expenditures can be found in the *Issue Review* [Overview of Iowa Veterans Programs](#).
